Motu Nao Nao's very own private chef supervises the seasonal menu where most of the ingredients are locally sourced, including fish, organic vegetables, and wild ingredients found on the island. Everything we serve is gathered responsibly and ethically.

Our chef will gladly prepare a private dinner or picnic featuring your favorite foods to be enjoyed at one of the many breathtaking locations around the island, where feast can meet personal fantasy.

From Polynesian dance shows to private musical performances and more, bring your imagination to life in your own private paradise.

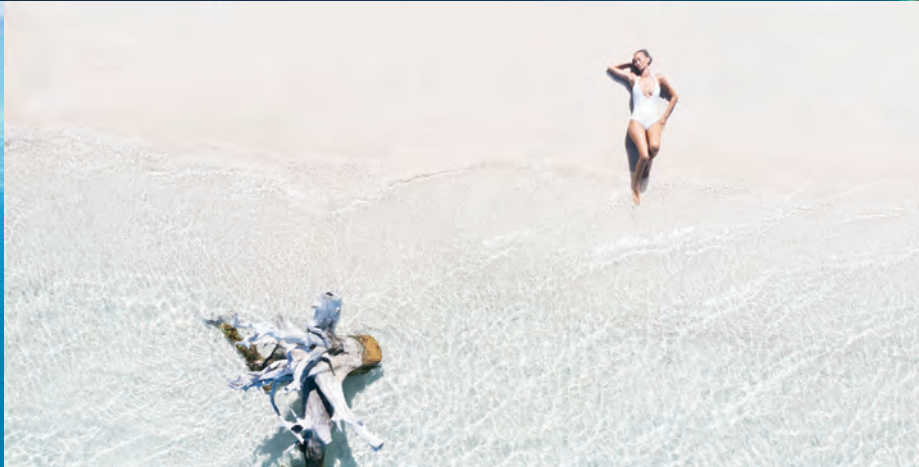

# *Endless Activities...*

Surrounded by crystal-clear, azure blue water and an endless open sky, Motu Nao Nao's activities are naturally inspired by the ocean and flora surrounding it. Our staff can organize private dives, fishing, snorkeling, jet-skiing and other water sports for you and your guests, including visits to the nearby Marae Taputapuatea and local pearl farms.
